7 B: He got here, so I pulled I heard it Was kind of busy. Standing right here. Trembling
8 in his voice like he is going to fight. So I'm thinking he's under the influence. So I'm
9 like, o.k. that's it, stand right over there away from the van. So he pops in the van, I pull
10 my taser and tell him to get out. He's kind of half-ass getting out.

11 **10:18:39**

12 B: So I grab him and pull him up against the fence.

13 P: O.K.

14 B: Fight's on, I taser him not effective. He might of, he may of gotten a jolt. He was
15 not immobilized, he came over.

17 B: Manny got another taser on him in the bushes over here.

18 P: You and Manny both hit him with a taser?

19 B: I shot him first and it wasn't effective and he came at me.

20 P: O.k.

21 B: And then Manny did so there is two taser discharges.

14 M: O.K.
15 **10:21:24**

24 B: You should have done what I told you to.
25 B: This wouldn't have happened if you listened to me.
26
27
28

1 M: Now cleared by a doctor, you guys have a policy like with the probes, but then I
2 didn't know.

3 P: E.R. the medic van is going to take him

4 H/? You o.k. killer?

5 B: I'm good to go sarge.

6 **10:25:54**

15 anything.

16 C: Are you guys going to secure my van.

17 W: Yes sir, we will secure your property
18 One way or another form o.k.

19 **10:27:32**

20 M: His left arm bleeding.

21 M: O.k. and down below that is a little puncture wound.

22 M: So someone hit him in the left arm and where else.?

23 M: Down here.

24 M: O.k.

25 **10:27:35**

26 M: So how many of those things do they shoot out, one?

27 B: I got him once.

28

1 M: And that shoots one little dart?
2
3 B: 2 darts.
4 M: 2 darts per shot.
5 B: And then someone else got him.
6 M: So four darts total, o.k.
7 M: Do they usually come out?
8 B: A lot of times when we are rolling round, ya.
9 M: Are they hooked?
10 B: Kind of like a little barb?
11 **10:27:57**
12 M: So there were four darts total that were fired.
13 M: We got two of them,
14 M: They're not sure where they are?
15 M: One in the arm that came out.
16 M: And Three others we don't know if they
17 ?: Disconnect sharply
18 M: So four darts total.
19 M: O.K.
20 ?: Watch your hand
21 B: Pull it just like a fishing hook.
22 M: Controlled the bleeding.
23 M: Whole family, with wife and kids, camper.
24 ?: Bandage is that
25 M: So like a hematoma coming in.
26
27 ?: Once get tased hook.
28

1 M: Seizure activity like
2 B: Sometimes.
3 B: Depends on size?
4 M: Like with him any seizure activity.
5 B: And that's abrasions from that from rolling on the ground.
6 **10:29:30**
7 M: The fall to the ground?
8 B: He fell to the ground after he was tasered.
9 M: O.k. ok.
10 ? : Take care.
11 M: Stable condition.
12 M: Athletic guy.
13 B: We got an officer going with you.
14 M: Ya coming in the ambulance.
15 M: Only 2 probes hit him.
16 M: 3 shots two probes.
17 M: Each shot 2 probes
18 M: The second time he hit him again.
19 M: So there are only 2 total.
20 M: No one knows where one fell off.
21 ? : Are you junior medic, senior medic.
22 ? : Well it was a decent fight.
23 ? : Ya.
24 ? : Strong Dude.
25 W: I'm good.

19 **10:32:57**
20 M: He's an unbelievable athlete, it's crazy.
21 P: Ya

7 B: Ya, I pulled him out of the van.
8 P: So you, so you tasered first, right?
9 B: Yes.
10 B: I don't know if there is anything else. Fuck I got blood all over me.
11 ?: Lets get that, bring the pant leg. You got a little bump on your knee going.
12 B: No shit.
13 B: You got the vehicle, search it yet.
14 P: So you were
15 B: I was right here, he hopped back in there and I had my taser and I said come out or
16 I'm going to taser you. He came out and He put his cell phone down. And he tried
17 getting it or something, so I said get out of the car now. So I grab him, I get him by the
18 shirt and I pushed him up against the fence and that's when he started, he started going
19 _____ . So I got my distance, and tried to get him in right in the waist line.
20 **10:35:40**
21 B: I got him up against the fence and he started going.
22 B: So I got my distance and turned waist line.
23 P: Is this is probably yours.
24 B: It might be, I was more at an angle.
25 B: I think I hit him.
26 B: I think might be Manny's.
27 B: Manny was down rolling with him trying to do drive-stun him.
28

1 B: That doesn't look, that looks like That one went straight into the fence. My shit
2 would have been more at an angle.

3 P: So you were here

4 B: I was right in this area.

5 B: He was back, he was back against the fence when I tasered him _____
6 So it could have been.

7 P: And Manny was down here?

8 B: Ya _____

9 P: Do you have your expended ah.

11

12 B: This is mine, this should be mine, I reloaded.

13 P: Ya you're 24 so that would be yours.

14 P: So were you here, when you shot him.

15 B: No, I backed off, I guess I backed off to reload.

16 P: Somebody broke your wire. You're wire broke.

17 B: It might have been, you know what, I chased him here, Sarge, and he came back on
18 me right here and he hit me in the head here when I was fighting him and then Manny
19 and April rolled against there, I went over here to reload real quick. Manny drive-
20 stunned him or got short close in range right where they were on the ground so that could
21 have been Manny's. I think I might have gotten a hit but it wasn't effective
22 Because he was kind of---

21 P: How many probes did this guy have in him?

22 B: None, I checked

23 P: Just now?

24 B: No, I checked when we were first searching that's the first thing I did was look for the
25 probes and didn't see any.

26 B: Alex did you want to get pictures inside here before I start tearing it up.

27 ? : I'll take one real quick.

28

1 B: How many probes are you looking for?

25 T: No dude I felt the shock. I got shocked.
26 B: I did too from my wires.
27 T: How could I do this.
28

1 B: I thought that was your probe, because I thought you drive stunned him here.

17 B: Maybe I can put these together
18 B: Here Manny, she's going to need that from you.
19 T: O.K.
20 P: So exactly.
21 P: So you really need to know exactly what this feels like.
22 P: So that's the scoop.
23 P: So how old is that guy?
24 ? I think he's like 30 something.
