RE: California Public Records Act Request Dated January 10, 2016 Ref: W000312-011116

Mr. Ciampi,

This Letter is a follow-up response to your electronic mail dated, January 10, 2016 in which you requested records maintained by the City of Palo Alto Police Department pertaining identity of officers pursuant to the California Public Records Act, Cal. Gov't Code §§ 6250 et seq.

Records Request 1:

"On Friday night, 1/8/2015, at approximately 11:30pm to 11:45pm two of your police officers waved me down from the unmarked grey/silver police patrol car, license plate #1457541, at the 7-11 store parking lot located on the corner of Waverley St. and Lytton Ave. Pursuant to CPRA 6250-6270 I request the names of the two officers in the unmarked car."

Response to Request 1:

As previously stated, we have no responsive records.

I was able to ascertain from the Supervisor of the officers inside the vehicle that pulled into the 7-11 parking lot that you approached them with some type video camera device. They did not flag you down, or exit the vehicle.

Records Request 2:

""Please identify the officer who was driving the vehicle at this time and place by designating which officer was driving at this time and place.

Response to Request 2:

Officer Burgio.

Records Request 3:

"Please identify the officer who was riding in the passenger seat at this time and place by designating which officers was riding in the passenger seat at this time and place."

Response to Records Request 3:

Officer Schmidt.

Thank you,
