**10 seconds** prior to Officer Burger stating **“Code 22 on the main,”** Burger is heard stating, **“Let me see your fucking hands,”** for the **FIRST** time on Burger’s MAV recording.

**8 seconds** prior to Officer Burger stating **“Code 22 on the main,”** Burger is heard stating, **“Let me see your fucking hands,”** for the **SECOND** time on Burger’s MAV recording.

**7 seconds** prior to Officer Burger stating **“Code 22 on the main,”** Burger is heard stating, **“Or I’m going to taser you.”** time on **Burger’s MAV** recording.

**7 seconds** prior to Officer Burger stating **“Code 22 on the main,”** Burger is heard stating, **“You’re not making it easy,”** on **Burger’s Taser** recording.

The microphones from the **MAV** and **Taser** systems are recording Officer Burger making the above statements approximately three feet from Officer Burger’s mouth at the same time.

**Burger's MAV  
Recording**

**Burger's Taser-CAM  
Recording**

7 seconds back from the beginning of the dialog of:  
*"Code 22 on the main."*

*"Code 22 on the main."*

*"Code 22 on the main."*

*"Or I'm going to taser you."*

*"You're not making it easy."*

Exactly **7 seconds** elapse between the beginning of the dialog of *"Or I'm going to taser you,"* and *"Code 22 on the Main,"* as heard on Burger's MAV recording.

Exactly **7 seconds** elapse between the beginning of the dialog of *"You're not making it easy,"* and *"Code 22 on the Main,"* as heard on Burger's MAV recording.

**CONCLUSION:**

- 1) At the exact same time that Burger's **MAV** recording recorded *"Or I'm going to taser you,"* Burger's **Taser CAM** recording recorded *"You're not making it easy."*
- 2) Burger's MAV recording is missing the dialog of *"You're not making it easy."*
- 3) Burger's Taser recording is missing the dialog of *"Or I'm going to taser you."*

Burger's MAV recording has been tampered with and edited, by removing audio content.

Burger's Taser CAM recording has been tampered with and edited by removing audio content.

Exactly 12 seconds after Wagner states “turn around in Burger’s MAV recording, Ciampi is heard yelling out in pain, “Aaahhh!”

Exactly 12 seconds after Wagner states “turn around in Burger’s MAV recording, Wagner is heard yelling out, “Oh God!”

BURGER’S MAV Recording

“Turn Around”

12 SECONDS

“Aaahhh!”

TEMORES’ TASER Recording

“Turn Around”

12 SECONDS

“Oh God!”

**CONCLUSION:** Burger’s MAV recording is missing the dialog of Wagner stating “Oh God,” and Temores’ taser recording is missing the dialog of Ciampi stating “Aaahhh!”

Officer Burger's Taser-CAM and MAV system are simultaneously recording the entirety of the following incident, yet his **Taser-CAM is missing significant portions of the dialog** recorded on his MAV system especially when compared to Temores' MAV Video recording.

Officer Temores' Taser-CAM also seems to be missing portions of the dialog especially when compared to his MAV Video recording.

**Officer Burger is heard stating two separate words simultaneously,  
“back up” and “Taser.”**

I believe that if you conduct a waveform analysis of the audios of Burger’s Taser-CAM recording and Burger’s MAV recording you will find that a portion of the dialog from:

*No, no, no, no.      W*  
*To*  
*Taser, taser, taser.      B*

**Are from the same recording device.**

**Page 51 Lines 7-12 of the Pre-Trial Transcript**

**Temores** testified that he told officer Burger to, “**Taser him,**” only ONE TIME.

On the Audios you can clearly hear someone stating, “Taser, taser, taser.”

**Page 93 Lines 23-28 & Page 94 of the Pre-Trial Transcript**

**Burger** testified that he **stated, “Taser,” three times** to warn Ciampi that he was going to use the Taser gun.

This further corroborates the audio analysis that the warning, “taser, taser, taser,” heard on the audio was added to the audio at a later date as it would be impossible for Burger to state two different words simultaneously.

**Page 15 of Burger's MAV transcript Burger's dialog gets cut off abruptly mid sentence and then picks up at the beginning of another sentence.**

Beginning at the 10:31:49 mark of Burger's MAV recording.
